Helen L. Long, PhD, CCC-SLP
Assistant Professor
Case Western Reserve University
Communication Sciences Program, Department of Psychological Sciences
11635 Euclid Avenue, Room 338, Cleveland, OH 44106
helen.long@case.edu Lab website: caslabs.case.edu/commspeech/

EDUCATION

University of Memphis, Memphis, TN Communication Sciences and Disorders, Cognitive Science Origin of Language Laboratory, D. Kimbrough Oller, PhD	**PhD**	2020
Florida State University, Tallahassee, FL Speech-Language Pathology Experimental Phonetics Laboratory, Toby Macrae, PhD	**MS**	2012
Indiana University, Bloomington, IN Speech & Hearing Sciences, Slavic & Eastern European Language and Cultures *Minors*: Psychology, Linguistics Voice Physiology Laboratory, Theresa Burnett, PhD	**BA**	2010

ACADEMIC APPOINTMENTS

Assistant Professor	Case Western Reserve University (CWRU), Communication Sciences Program, Department of Psychological Sciences	2024 –
Postdoctoral Researcher	University of Wisconsin-Madison, Waisman Center & Institute of Clinical and Translational Research, Mentor: Katie Hustad, PhD	2021 – 2024

PROFESSIONAL & FACULTY AFFILIATIONS

Case Western Reserve University

Schubert Center of Child Studies, Faculty Associate	2024 –
Sara and Curt Moll Institute for Mental Health and Well-Being, Faculty Affiliate	2026 –

Active Certification and Memberships

ASHA: American Speech-Language-Hearing Association	
• Special Interest Group (SIG) 02: Neurogenic Communication Disorders	2020 – 2026
• Certificate of Clinical Competence (CCC) #14037378	2013 –
AACPDM: American Academy for Cerebral Palsy and Developmental Medicine	2018 –

Active Clinical Licensure

Ohio State Licensure in Speech-Language Pathology #SP.15871	2024 –

RESEARCH AREAS OF INTEREST

- Early communication development in children with cerebral palsy and neurodevelopmental disabilities
- Open science practices in communication sciences and disorders

FUNDING

Awarded

PI. "Communication development in cerebral palsy," [Renewal], NIH Division of Loan Repayment Extramural Pediatric Research, NIDCD, L40 DC020594-02, 07/25-06/26.

PI. "Evaluating the Impact of a Community-Based Rehabilitation Camp on Caregiver Attitudes of Augmentative and Alternative Communication," collaboration with United Cerebral Palsy of Greater Cleveland, Clinical and Translational Science Collaborative of Northern Ohio (CTSC) Annual Pilot Award Program, NCATS UM1TR004528, 07/25-06/26, $50,000.

PI. "Advancing Communication Research in Cerebral Palsy with LENA Technology," W.P. Jones Presidential Faculty Development Fund, Case Western Reserve University, 01/25-01/26, $5,000.

Research Consultant. "Does community outreach and education increase referrals to a non-profit outpatient therapy center for 0–3-year population specializing in early detection?" United Cerebral Palsy (UCP) Affiliate Planning Grant awarded to the UCP of Greater Cleveland.

Postdoctoral Fellow. UW-Madison Institute for Clinical and Translational Research (ICTR) TL1 Postdoctoral Training Program, NCATS TL1TR002375, 08/23-07/24.

PI. "Prelinguistic vocal behaviors in infants at risk of cerebral palsy under 24 months," ASHFoundation New Investigators Research Grant, 12/22-12/23, $10,000.

PI. "Prelinguistic vocal development in cerebral palsy" [Initial], NIH Division of Loan Repayment Extramural Pediatric Research, NIDCD, L40 DC020594-01, 07/22-06/24.

Postdoctoral Fellow. UW-Madison Waisman Center T32 Postdoctoral Training Program in Intellectual Developmental and Disabilities, NICHD, T32HD007489, 08/21-07/23.

INVITED TALKS

1. **Long HL,** Capretta G (2026, April). Early speech and language support needs for infants at risk for cerebral palsy: State of the science and future directions. Invited speaker to the MetroHealth Pediatrics Division Meeting, Cleveland, OH.
2. Ramsay, G, Yoo H, Su PL, **Long HL**, Bene E, Pileggi M, Brane N, Poursoroush Z, Buder E, Hustad KC, Yang CC, Gipson TT, & Oller DK (Invited for 2025, November). Vocal communication and early detection of various emergent conditions in infants and young children. Invited research symposium for the American Speech-Language Hearing Association Convention, Washington, DC.
3. **Long HL**, Munz K, & Ng A. (2025, September). Communication and Disability. Guest lecture presented to the Case Western Reserve University School of Medicine, Cleveland, OH.
4. **Long HL**, Lucic N, Cunningham BJ, Coan-Brill J, & Costigan A. (2025, January). A 'Rosie' Future: Empowering Children with CP Through Collaborative, Early, Evidence-Based AAC Practice. Invited panel discussion for the C-PROGRESS National Pediatric Rehabilitation Resource Center, NIH.
5. **Long HL,** Mayfield J, & Peterson MJ (2024, December). Elevating communicative participation across the lifespan using CanChild's "F-Words" Framework. Invited seminar for the American Speech-Language Hearing Association Convention, Seattle, WA.
6. **Long HL** (2024, March). Enhancing the early detection of communication impairments in children with cerebral palsy. Invited talk for the TL1 Schnaper Visiting Scientist Program Grand Rounds, University of Kansas Medical Center. NCATS Clinical and Translational Science Awards Program.
7. **Long HL,** Ciullo B, Parsons MB, & Pfeiffer D (2023, October). Beyond the paywall: Strategies for sharing and accessing green open access research. Invited webinar for the Advocating Research and Learning Special Interest Group (ARAL SIG), Philippine Association of Speech Pathologists.
8. **Long HL,** Drown L, & El Amin M (2023, October). The effect of open access on scholarly and societal metrics of impact in the ASHA Journals. Invited colloquium talk for the PhD student research colloquium, School of Communication Sciences and Disorders, Florida State University, Tallahassee, FL.
9. **Long HL** (2023, September). Improving the prediction of speech outcomes in children with cerebral palsy. Selected lightning talk for the TL1 Research Summit, Milwaukee, WI.
10. **Long HL,** Drown L, & El Amin M. (2023, July). The effect of Open Access on scholarly and societal metrics of impact in the ASHA Journals. Invited topic facilitator for the 2023 OpenCSD Journal Club.
11. **Long HL** (2023, March). Green is the new Gold: An exploration of the various routes to make your research more accessible. Invited colloquium talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
12. **Long HL,** Mankel KM, & Price CN (2022, September). Insight on the postdoctoral transition: Professional preparation as an early career research scientist. Invited panel talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
13. **Long HL** (2021, November). Evolutionary origins of infant vocalizations as signals of developmental progress to caregivers. Invited seminar for the Department of Communication Sciences and Disorders, Univ. of Wisconsin-Madison.

14. **Long HL,** Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2021, March). Social and nonsocial motivations in the emergence of canonical babbling. Invited talk for the Language Acquisition Across Cultures (LAAC) Laboratory, Laboratoire de Sciences Cognitives et Psycholinguistique, Centre national de la recherche scientifique, France.
15. McDaniel V, **Long HL,** Yoo H, Patro C, Yellamsetty A, & Constantino C (2021, March). Insight on the postdoctoral transition: Professional preparation as an early career research scientist. Invited panel talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
16. **Long HL,** Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2020, November). Infant production of advanced vocal forms across contexts in infants at low and high risk for autism. Invited talk for the Eleanor J. Gibson Laboratory of Developmental Psychology, Cornell University.
17. **Long HL,** Oller DK, Romer K, Friener L, Warner W, Spence D, & Rhodes LN (2020, September). Pre-speech and early speech development of young children diagnosed with cerebral palsy. Poster talk selected for the Poster Crawl with Past Presidents, American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting.
18. Oller DK, & **Long HL** (2019, November). Endogenous production of vocal precursors to speech across the first year. Invited Keynote for the Boston University Conference on Language Development, Boston, MA.
19. **Long HL,** Eichorn N, Bowman DD, & Oller DK (2019, April). Using GEEs to evaluate longitudinal vocal development in infants at risk for cerebral palsy. Invited talk for the S. P. Wong Applied Statistics Research Day, Department of Mathematics, University of Memphis.
20. Hinds V & **Long HL** (2014, September). Strategies for teaching augmentative and alternative communication in the schools. Invited professional developmental seminar for the Department of Speech-Language Pathologists and Speech Therapists, Shelby County Schools, Memphis, TN.

MERIT-BASED AWARDS AND HONORS

Clinical and Translational Science Collaborative of Northern Ohio	
Advanced Translational Leadership in Academic Science (ATLAS) Program Fellow	2025
Winning Team Project: “Passport Program” for the CTSC ATLAS Program, $10,000	2025
American Speech-Language Hearing Association (ASHA)	
Lessons for Success Fellow	2023
Pathways Program Fellow	2021
American Academy of Cerebral Palsy and Developmental Medicine (AACPDM)	
Emerging Leaders Program Fellow	2025
OrthoPediatrics© Scholarship	2020
University of Wisconsin-Madison	
Postdoctoral Scientific Leadership Program Fellow	2023 – 2024
Waisman Center Morse Society Scholar	2022 – 2024
University of Memphis	
Graduate Student President Service Award	2020
Celebrate Student Success Award	2020
S.P. Wong Award for Best Presentation in Statistical Application	2019

Florida State University

Outstanding Master's Student Award	2012
Dr. Avery Vaughn Scholarship Fund for Excellence	2011

Indiana University

H. Fullmer Faculty Scholarship Award	2006 – 2010
Direct Admit Program, College of Arts and Sciences	2006 – 2008

Other Professional

Al Chymia Shriners Award, Shrine School, Memphis, TN, $25,000	2015 – 2016
Red Apple Award, Southborough Education Foundation, Southborough, MA	2012

RESEARCH MENTORING

PhD dissertation committees

Cassandra López, Case Western Reserve University 2025 –
Dissertation: *TBD*

MA Graduate Thesis: Primary Mentor

Julia Stanfield, Case Western Reserve University, COSI. "*Caregiver Perceptions of Social Benefits for Children Participating in Group-Based AAC Intervention"* 2025 – 2027

MA Graduate Thesis: Committee Member

Charlotte Cutright, Case Western Reserve University, COSI. *TBD* 2025 – 2027

MA graduate student research projects

Kate Munz, Case Western Reserve University, COSI. "*Effects of non-invasive brain stimulation combined with speech-language therapy on naming ability in adults with post-stroke non-fluent aphasia."* 2024 – 2026

Ava Ng, Case Western Reserve University, COSI. "*Effects of naming therapy on confrontational naming accuracy for individuals with primary progressive aphasia."* 2024 – 2026

Hannah Berthelson, University of Memphis, CSD. "*Neurodiversity, evolution, and autism spectrum disorder."* 2020

Emma Allen, University of Memphis, CSD. "*Early speech and language milestones in young children with CP."* 2019 – 2020

Interdisciplinary Research Mentorship

University Hospitals, Health Services Research Center, Intensive Summer Scholar Program 2025

- Leela Garg, Duke University (Rising Freshman). *"Examining SLP Referral Practices in an Outpatient Neuromuscular CP Clinic."*
- Ishan Kelkar, Needham High School, MA (Rising Sophomore). *"A systematic review of family-based SLP interventions for children born premature."*
- Ana Kasumova, Northeastern Ohio Medical School (Rising M1). *"Expert Insights on Tailoring Early Interventions for Cerebral Palsy."*
- Julianna Pollard, Loyola University Chicago (Rising Junior). *"Assessment practices used by expert early intervention SLPs for young children with CP."*

Harry Balanta Franky, Shaker Heights High School (Rising Senior). *"Barriers and challenges experienced by expert early intervention SLPs in CP."*

TEACHING ACTIVITIES

Case Western Reserve University

Instructor

COSI 600: Augmentative & Alternative Communication, 2 cr.	Fa 2025 –
COSI 561: Neuromotor & Craniofacial Anomalies, 4 cr.	Sp 2025 –
COSI 453: Articulation & Phonological Disorders, 3 cr.	Fa 2024 –
COSI 364: Disability and the ICF, 3 cr.	Sp 2026 –

University of Memphis

Instructor

AUSP 4300: Autism: Communication and Socialization, 3 cr.	Fa 2018
AUSP 7991: Clinical Research Colloquium: Introduction to Research, 1 cr.	Fa 2017

Teaching assistant

AUSP 7500: Evaluating Research in CSD, Naomi Eichorn, PhD	Su 17, Su 20
AUSP 7308: Augmented and Alternative Communication, Vicki Haddix, MS	Sp 2017
AUSP 4010: Autism: Communication & Socialization, Kim Oller, PhD	Sp 2016

Florida State University

Teaching assistant, Distance learning program

SPA 5211: Voice Disorders, Richard Morris, PhD	Su 2012
SPA 5254: Acquired Neurolinguistic Cognitive Disorders, Joanne Lasker, PhD	Sp 2012
SPA 5204: Phonological Disorders, Toby Macrae, PhD	Fa 2011
SPA 5009: Language Development and Intervention, Jenny Brown, MS	Su 2011
SPA 5113: Clinical Phonetics, Shannon Hall-Mills, PhD	Sp 2011
SPA 5012: Introduction to Communication Sciences; Kerry Lenius, PhD	Fa 2010

CLINICAL ACTIVITIES

SLP-Research Consultant

Village Voice Technologies, Inc. Babbly.co (mobile application)	2023
CantaLingo (podcast)	2026

Speech-Language Pathologist

Invo-Progressus Therapy, Memphis-Shelby County Schools, Memphis, TN	2014 – 2021
Global Teletherapy, Tennessee Virtual Academy, TN	2018 – 2019
Easter Seals Massachusetts, State-wide school and medical contracts, MA	2012 – 2014

Assistive Technology Team Member

Memphis-Shelby County Schools, Memphis, TN	2015 – 2018

Clinical Fellowship Supervisor

Memphis-Shelby County Schools, Memphis, TN 2017 – 2019

Graduate Student Supervisor

University clinic diagnostics, Memphis Speech and Hearing Clinic 2016 – 2017
Memphis-Shelby County Schools, Memphis, TN 2015

SERVICE ACTIVITIES

Professional

CSDisseminate, Co-founding collaborator 2020 –
AACPDM, Membership Committee 2020 –
- Chair Elect 2025 – 2026
- Early Career Program Review Committee, Member 2026

Cerebral Palsy Foundation Mentorship Program Committee, Member 2026
ASHA Convention Coach for first-time attendees 2022, 2024
ASHA S.T.E.P. Program, Mentor 2014, 2025 –

Case Western Reserve University

Undergraduate Sponsored Summer Research Program, Reviewer 2026
COSI Program Search–Instructor, Committee Member 2025 – 2026
Clinical and Translational Science Collaborative of Northern Ohio, Member 2024 –

University of Wisconsin-Madison

University Committee on Disability Access and Inclusion, Postdoctoral representative 2022 – 2024
IDDRC career development steering committee, Waisman postdoc representative 2022 – 2023
UW Postdoc Association research symposium, Planning committee member 2021

University of Memphis

Faculty appointments committee, PhD student representative 2019 – 2020
Grievance committee, PhD student representative 2018
CSD research colloquium series, Coordinator 2018
Dean search committee, PhD student representative 2017
Institute for Intelligent Systems Student Organization, Member 2016 – 2020
Graduate Student Association, CSD department representative 2016 – 2017
CSD curriculum committee, PhD student representative 2016 – 2017

Florida State University

National Student Speech-Language Hearing Association, Member 2010 – 2012

Indiana University

National Student Speech-Language Hearing Association, Member 2009 – 2010
Best Buddies, Membership coordinator 2008 – 2010
Czech Club, Treasurer 2008 – 2010
Judicial Board, Juror/Internal affairs chair 2006 – 2010

Workshops & Webinars

1. Ford A, Pfeiffer D, Gaeta L, Brice, C, & **Long HL** (2024, Oct-Nov). Self-Archiving Learning Laboratory – Fall 2024. Online monthly workshop series hosted by CSDisseminate.
2. **Long HL**, Stuyvenberg C, Pierce W (2024, May). Maximize your productivity with AACPDM resources. AACPDM Members Only Webinar. Webinar hosted by the AACPDM Membership Committee.
3. **Long HL**, Ford A, Gaeta L, Brice, C, & Pfeiffer, D (2024, Jan-May). Self-Archiving Learning Laboratory – Spring 2024. Online monthly workshop series hosted by CSDisseminate.
4. Kearney E, **Long HL,** Spratford M, & Harold M (2021, January). Self-archiving 101: Improve research dissemination through access. Online workshop hosted by CSDisseminate.

Media

PEER-REVIEW ACTIVITIES

Editorial

Editorial Board	Journal of Speech Language and Hearing Research, Speech Section	2025
Guest Co-Editor	Evidence-Based Communication Assessment and Intervention, Open Science Special Issue	2025

Review of manuscripts (ad hoc) - Web of Science

International Journal of Speech Language Pathology	Journal of Pediatric Rehabilitation Medicine
Journal of Speech Language and Hearing Research	Cognitive Science Society Proceedings
American Journal of Speech Language Pathology	Journal of Communication Disorders
Developmental Medicine & Child Neurology	Disability & Rehabilitation
Journal of Neurodevelopmental Disorders	Developmental Science
Language Resources and Evaluation	Scientific Reports
BMC Health Services Research	PLOS One

Review of grants

United Cerebral Palsy Annual Pilot Grants	2025

Review of conference abstracts & programs

AACPDM/CPFoundation Mentorship Program Review Committee	2026
AACPDM Emerging Leaders Program Review Committee	2025
AACPDM Scientific Program Review Committee	2021, 2023, 2025
ASHA Convention, Motor Speech Disorders Across the Lifespan Review Committee	2024, 2026
Meeting on Language in Autism (MoLA) Review Committee	2024
SRCLD Program Planning Committee	2023 – 2024
TL1 Schnaper Visiting Scientist Program Mini-Symposium Review Committee	2023
ASHA Convention, Speech and Language Sciences Review Committee	2021

Review of scholarships

OrthoPediatrics© Scholarship, AACPDM Annual Meeting	2021 – 2025
