

Helen L. Long, PhD, CCC-SLP
Assistant Professor
Case Western Reserve University
Communication Sciences Program, Department of Psychological Sciences
11635 Euclid Avenue, Room 338, Cleveland, OH 44106
helen.long@case.edu www.helen-long.com

EDUCATION

University of Memphis , Memphis, TN Communication Sciences and Disorders, Cognitive Science Origin of Language Laboratory, D. Kimbrough Oller, PhD	PhD	2020
Florida State University , Tallahassee, FL Speech-Language Pathology Experimental Phonetics Laboratory, Toby Macrae, PhD	MS	2012
Indiana University , Bloomington, IN Speech & Hearing Sciences, Slavic & Eastern European Language and Cultures <i>Minors:</i> Psychology, Linguistics Voice Physiology Laboratory, Theresa Burnett, PhD	BA	2010

ACADEMIC APPOINTMENTS

Assistant Professor	Case Western Reserve University, Communication Sciences Program, Department of Psychological Sciences	2024 –
Faculty Affiliate	Schubert Center of Child Studies, Case Western Reserve University	2024 –
Postdoctoral Researcher	University of Wisconsin-Madison, Waisman Center & Institute of Clinical and Translational Research, Mentor: Katie Hustad, PhD	2021 – 2024

PROFESSIONAL AFFILIATIONS

Active Certification and Membership

ASHA: American Speech-Language-Hearing Association	
• Special Interest Group (SIG) 02: Neurogenic Communication Disorders	2020 –
• Certificate of Clinical Competence (CCC) #14037378	2013 –
AACPDM: American Academy for Cerebral Palsy and Developmental Medicine	2018 –
ICIS: International Congress of Infant Studies	2019 –

Active Clinical Licensure

Ohio State Licensure in Speech-Language Pathology #SP.15871	2024 –
---	--------

RESEARCH AREAS OF INTEREST

- Early communication development in children with cerebral palsy and neurodevelopmental disabilities
- Open science practices in communication sciences and disorders

FUNDING

Awarded

- PI. "Communication development in cerebral palsy," [Renewal], NIH Division of Loan Repayment Extramural Pediatric Research, NIDCD, L40 DC020594-02, 07/25-06/26.
- PI. "Evaluating the Impact of a Community-Based Rehabilitation Camp on Caregiver Attitudes of Augmentative and Alternative Communication," collaboration with United Cerebral Palsy of Greater Cleveland, Clinical and Translational Science Collaborative of Northern Ohio (CTSC) Annual Pilot Award Program, NCATS UM1TR004528, 07/25-06/26, \$50,000.
- PI. "Advancing Communication Research in Cerebral Palsy with LENA Technology," W.P. Jones Presidential Faculty Development Fund, Case Western Reserve University, 01/25-01/26, \$5,000.
- Research Consultant. "Does community outreach and education increase referrals to a non-profit outpatient therapy center for 0–3-year population specializing in early detection?" United Cerebral Palsy (UCP) Affiliate Planning Grant awarded to the UCP of Greater Cleveland.
- Postdoctoral Fellow. UW-Madison Institute for Clinical and Translational Research (ICTR) TL1 Postdoctoral Training Program, NCATS TL1TR002375, 08/23-07/24.
- PI. "Prelinguistic vocal behaviors in infants at risk of cerebral palsy under 24 months," ASHFoundation New Investigators Research Grant, 12/22-12/23, \$10,000.
- PI. "Prelinguistic vocal development in cerebral palsy" [Initial], NIH Division of Loan Repayment Extramural Pediatric Research, NIDCD, L40 DC020594-01, 07/22-06/24.
- Postdoctoral Fellow. UW-Madison Waisman Center T32 Postdoctoral Training Program in Intellectual Developmental and Disabilities, NICHD, T32HD007489, 08/21-07/23.

28. Poursorouh, Z, Ramsay G, Yang, CC, Buder, EH, Bene ER, Su PL, Yoo H, **Long HL**, Klaiman C, Pileggi ML, Brane N & Oller DK (under review). Timing of utterance intervals in typically developing infants and infants later diagnosed with autism spectrum disorder.

CONFERENCE PRESENTATIONS

1. **Long HL**, Romer K, Rivera-Peraza, C, Spence D, Chen, S, & Rhodes L (Submitted for 2025, November). Referral and Clinical Practices for Speech Therapy in a Multidisciplinary CP Clinic [Poster]. American Speech-Language Hearing Association Convention, Washington, DC.
2. Pfeiffer, D, Brice, C, Baron, A, Ciullo, B, **Long, HL**, Thompson, A, Ford, AB (Submitted for 2025, November). Exploring Associate and Full Professors' Perceptions of Open Science Practices in Communication Sciences and Disorders. American Speech-Language Hearing Association Convention, Washington, DC.
3. Sutter, E, Iverson, J, & **Long HL** (Submitted for 2025, October). Bridging the Gap: Exploring Motor-Communication Links and Clinical Implications through a Developmental Cascades Framework [Educational Session]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, New Orleans, LA.
4. Hidecker, MJC, **Long HL**, & Lenski, M (Submitted for 2025, October). Descriptive epidemiology of functional communication among children aged 10 born extremely prematurely [Free Paper]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, New Orleans, LA.
5. **Long HL**, Romer K, Rivera-Peraza, C, Spence D, Chen, S, & Rhodes L (Submitted for 2025, October). Referral and Clinical Practices for Speech Therapy in a Multidisciplinary CP Clinic [Poster]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, New Orleans, LA.
6. **Long HL**, Anderson, D, & Michalski, K (Submitted for 2025, October). Tiny Voices Matter. The Impact of Early Communication: Insights from Research and Clinic [Educational Session]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, New Orleans, LA.

7. **Long HL**, Romer K, Spence D, Warner W, & Rhodes L (2024, October). Speech and Language Development in Children with Cerebral Palsy and Seizures [Free Paper]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, Quebec City, CAN.
8. **Long HL**, Ramsay G, Bene ER, Su PL, Yoo H, Klaiman C, Pulver SL, Richardson S, Pileggi ML, Brane N & Oller DK (2024, March). Canonical babbling trajectories across the first year of life in autism and typical development [Free Paper]. Meeting on Language in Autism, Durham, NC.
9. **Long HL**, & Hustad KC (2024, February). An examination of infant vocal characteristics and later speech motor involvement in children at risk for cerebral palsy [Free Paper]. Motor Speech Conference, San Diego, CA.
10. **Long HL**, & Hustad KC (2023, November). Vocal production of children with cerebral palsy and anarthria [Poster]. American Speech-Language Hearing Association Convention, Boston, MA.
11. **Long HL**, Sandgren C, Mabie H, & Hustad KC (2023, November). An examination of early vocal production and speech-language outcomes in infants at risk for cerebral palsy [Poster]. American Speech-Language Hearing Association Convention, Boston, MA.
12. Drown L, Kearney E, El Amin M, & **Long HL** (2023, November). Self-Archiving 101: Benefits for Clinicians and Researchers [Technical Demo]. American Speech-Language Hearing Association Convention, Boston, MA.
13. Ciullo B, Lassiter T, Pfeiffer D, Drown L, **Long HL**, Gaeta L, & Harold M (2023, November). Bypassing the Paywall: Accessing Journal Articles for Clinical Practice and Evidence-Based Learning [Technical Demo]. American Speech-Language Hearing Association Convention, Boston, MA.
14. Oller DK, Ramsay G, **Long HL**, Yoo H, Su PL, Pileggi, M, Bene ER, Brane N, Klaiman C, Pulver SL, & Richardson S (2023, November). Vocal Development in Typically Developing Infants and Infants Later Diagnosed with ASD [Seminar]. American Speech-Language Hearing Association Convention, Boston, MA.
15. **Long HL**, Romer K, Hidecker MJC, Warner W, Spence D, & Rhodes LN (2023, September). Examining the association between early speech and language milestone attainment and clinical profiles of children with neurodevelopmental delay in a clinical setting [Poster]. TL1 Research Summit, Milwaukee, WI.
16. **Long HL**, Hayes S, Christensen L, & Hustad KC (2023, June). Vocal development in infants at risk for speech motor involvement: A scoping review [Poster]. Symposium on Research in Child Language Disorders, Madison, WI.
17. **Long HL**, Elmquist M, Marshall S, & Seale J (2023, April). Exploring speech-language pathologists' perceptions of a team-based AAC evaluation program: A qualitative study [Lightning Talk]. Implementation Science IS for All: The Power of Partnerships Conference, MGH Institute of Health Professions.
18. **Long HL**, Hayes S, Christensen L, & Hustad KC (2023, April). A scoping review of vocal development in infants with or at risk for speech motor impairment [Poster]. Gatlinburg Conference, Kansas City, MO.
19. **Long HL**, Elmquist M, Natzke P, & Hustad KC (2022, November). Longitudinal communicative participation in children with and at risk of CP between 18-60 months [Poster]. American Speech-Language Hearing Association Convention, New Orleans, LA.
20. **Long HL**, Ramsay G, & Oller DK (2022, November). Canonical babbling trajectories in TD and ASD infants using all-day recordings: A preliminary analysis of human coded data [Seminar]. American Speech-Language Hearing Association Convention, New Orleans, LA.
21. Yoo H, Ramsay G, **Long HL**, Oller DK, & Bene ER (2022, November). Relationships between infant speech-like vocalizations and infant-directed speech in typically developing infants vs. infants at risk for autism [Seminar]. American Speech-Language Hearing Association Convention, New Orleans, LA.

22. Elmquist M, **Long HL**, & Hustad KC (2022, November). Preverbal and verbal communication and interaction development in toddlers with cerebral palsy [Poster]. American Speech-Language Hearing Association Convention, New Orleans, LA.
23. **Long HL**, Elmquist M, Allison K, & Hustad KC (2022, September). Communication is a gateway to participation: State of the science and future directions [Seminar]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting, Las Vegas, NV.
24. **Long HL**, Hustad KC, Romer K, Friener L, & Rhodes L (2022, June). Parent-reported language milestone mastery in young children with cerebral palsy [Poster]. Symposium on Research in Child Language Disorders, Madison, WI.
25. **Long HL**, Mahr TJ, & Hustad KC (2022, February). Longitudinal development of marginal and canonical babbling in young children at risk for cerebral palsy [Free Paper]. Motor Speech Conference, Charleston, SC.
26. **Long HL**, Friener L, Rhodes LN, Romer K, & Oller DK (2021, November). Early speech and language developmental milestones in children with cerebral palsy between 1-4 years [Poster]. American Speech-Language Hearing Association Convention, Washington, D.C.
27. El Amin M, **Long HL**, Borders JC, Keller MA, & Kearney E (2021, November). Open science practices in communication sciences and disorders [Seminar]. American Speech-Language Hearing Association Convention, Washington, D.C.
28. **Long HL**, Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2021, June). Social and endogenous motivations in the emergence of canonical babbling: An autism risk study [Poster]. Symposium on Research in Child Language Disorders.
29. **Long HL**, Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2021, May). Social and endogenous motivations of canonical babbling development in autism [Seminar]. Annual Meeting for the International Society for Autism Research.
30. Yoo H, Ramsay G, Bowman DD, Ha S, **Long HL**, & Oller DK (2021, May). Phonatory control in typically developing infants and infants at risk for autism [Seminar]. Annual Meeting for the International Society for Autism Research.
31. **Long HL**, Allen E, Friener L, Eichorn N, & Oller DK (2020, November). Assessing language emergence in cerebral palsy using the LENA Developmental Snapshot [Poster]. American Speech-Language Hearing Association Convention, San Diego, CA. (Conference canceled)
32. Hidecker MJC, & **Long HL** (2020, November). Understanding communication disorders in cerebral palsy using the ICF framework from the WHO [Seminar]. American Speech-Language Hearing Association Convention (Conference canceled).
33. **Long HL**, Burkhardt-Reed MM, & Oller DK (2020, October). Quantifying the nature of vocal and gestural activity in infants across the first year [Poster]. Many Paths to Language (mPaL) Workshop.
34. **Long HL**, Oller DK, Romer K, Friener, L, Warner W, Spence D, & Rhodes LN (2020, September). Pre-speech and early speech development of young children diagnosed with cerebral palsy [Poster]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting.
35. Hidecker MJC, & **Long HL** (2020, September). When to refer: Early indicators for communication concerns in cerebral palsy [Seminar]. American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting.
36. **Long HL**, Oller DK, Friener L, Romer K, & Rhodes LN (2020, August). Mastery of prelinguistic milestones in young children with cerebral palsy [Poster]. Early Cerebral Palsy Health Summit.
37. **Long HL** & Oller DK (2020, July). Do infants use more social or non-social protophones? An opinion survey and observational study [Poster]. International Congress of Infant Studies XXII Bicentennial Congress.

38. **Long HL**, Ramsay G, & Oller DK (2020, May). The influence of interaction on advanced vocal stages in typical and atypical social development [Poster]. Symposium on Research in Child Language Disorders, Madison, WI. (Conference canceled)
39. **Long HL**, Eichorn N, & Oller DK (2020, February). Canonical babbling in infants at-risk for cerebral palsy: A longitudinal multiple case study [Poster]. Motor Speech Conference, Santa Barbara, CA.
40. **Long HL**, Ramsay G, Bowman DD, Yoo H, Burkhardt-Reed MM, Bene ER, & Oller DK (2019, November). Assessing infant vocal production across interactive and non-interactive contexts in ASD and typical development: Preliminary data from the University of Memphis/Emory University sibling study [Seminar]. American Speech-Language Hearing Association Convention, Orlando, FL.
41. **Long HL**, Eichorn N, & Oller DK (2019, November). Possible early indicators for speech impairments in infants at risk for cerebral palsy [Poster]. American Speech-Language Hearing Association Convention, Orlando, FL.
42. †Yoo H, Ha S, Bowman DD, Ramsay G, **Long HL**, Lee CC, & Oller DK (2019, November). A cross-language investigation of clustering of infant vocalizations across the first year of life [Seminar]. American Speech-Language Hearing Association Convention, Orlando, FL.
43. †Burkhardt-Reed MM, **Long HL**, & Oller DK (2019, November). Gesture in early communication development: Relative roles of voice and gesture across the first year of life [Seminar]. American Speech-Language Hearing Association Convention, Orlando, FL.
44. **Long HL**, Bowman DD, & Oller DK (2018, November). Reliability of listener judgments of infant imitation [Poster]. American Speech-Language Hearing Association Convention, Boston, MA.
45. **Long HL**, & Oller DK (2017, November). Vocal matching and imitation in infancy [Poster]. American Speech-Language Hearing Association Convention, Los Angeles, CA.
46. **Long HL**, & Oller DK (2017, November). Vocal imitation and matching in infants [Seminar]. American Speech-Language Hearing Association Convention, Los Angeles, CA.
47. Lee CC, Chen LM, Chen LW, Lin YC, **Long HL**, & Oller DK (2017, November). A preliminary study of mean duration of utterance and vocalization rate in infants with cerebral palsy [Seminar]. American Speech-Language Hearing Association Convention, Los Angeles, CA.
48. Lee CC, **Long HL**, Jhang Y, Yoo H, Chen LM, & Oller DK (2016, November). Effects of social & non-social circumstances on CB ratios in English- & Chinese-learning infants [Seminar]. American Speech-Language Hearing Association Convention, Philadelphia, PA.
49. **Long HL**, Oller DK, Ramsdell-Hudock H, & Bene E (2016, November). Imitative and vocally adaptive behavior in infants through twelve months [Poster]. American Speech-Language Hearing Association Convention, Philadelphia, PA.
50. Santana P, **Long HL**, Headley D, Stierwalt JAG, & Gingrich L (2012, November). An examination of lingual function following total laryngectomy [Poster]. American Speech-Language Hearing Association Convention, Atlanta, GA.

INVITED TALKS

1. Ramsay, G, Yoo, H, Su, PL, **Long, HL**, Bene, E, Pileggi, M, Brane, N, Poursoroush, Z, Buder, E, Hustad, KC, Yang, CC, Gipson, TT, & Oller, DK (Invited for 2025, November). Vocal communication and early detection of various emergent conditions in infants and young children. Invited research symposium for the American Speech-Language Hearing Association Convention, Washington, DC.

2. **Long, HL**, Lucic, N, Cunningham, BJ, Coan-Brill, J, & Costigan, A. (2025, January). A 'Rosie' Future: Empowering Children with CP Through Collaborative, Early, Evidence-Based AAC Practice. Invited panel discussion for the C-PROGRESS National Pediatric Rehabilitation Resource Center, NIH.
3. **Long HL**, Mayfield J, & Peterson MJ (2024, December). Elevating communicative participation across the lifespan using CanChild's "F-Words" Framework. Invited seminar for the American Speech-Language Hearing Association Convention, Seattle, WA.
4. **Long HL** (2024, March). Enhancing the early detection of communication impairments in children with cerebral palsy. Invited talk for the TL1 Schnaper Visiting Scientist Program Grand Rounds, University of Kansas Medical Center. NCATS Clinical and Translational Science Awards Program.
5. **Long HL**, Ciullo B, Parsons MB, & Pfeiffer D (2023, October). Beyond the paywall: Strategies for sharing and accessing green open access research. Invited webinar for the Advocating Research and Learning Special Interest Group (ARAL SIG), Philippine Association of Speech Pathologists.
6. **Long HL**, Drown L, & El Amin M (2023, October). The effect of open access on scholarly and societal metrics of impact in the ASHA Journals. Invited colloquium talk for the PhD student research colloquium, School of Communication Sciences and Disorders, Florida State University, Tallahassee, FL.
7. **Long HL** (2023, September). Improving the prediction of speech outcomes in children with cerebral palsy. Selected lightning talk for the TL1 Research Summit, Milwaukee, WI.
8. **Long HL**, Drown L, & El Amin M. (2023, July). The effect of Open Access on scholarly and societal metrics of impact in the ASHA Journals. Invited topic facilitator for the 2023 OpenCSD Journal Club.
9. **Long HL** (2023, March). Green is the new Gold: An exploration of the various routes to make your research more accessible. Invited colloquium talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
10. **Long HL**, Mankel KM, & Price CN (2022, September). Insight on the postdoctoral transition: Professional preparation as an early career research scientist. Invited panel talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
11. **Long HL** (2021, November). Evolutionary origins of infant vocalizations as signals of developmental progress to caregivers. Invited seminar for the Department of Communication Sciences and Disorders, Univ. of Wisconsin-Madison.
12. **Long HL**, Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2021, March). Social and nonsocial motivations in the emergence of canonical babbling. Invited talk for the Language Acquisition Across Cultures (LAAC) Laboratory, Laboratoire de Sciences Cognitives et Psycholinguistique, Centre national de la recherche scientifique, France.
13. McDaniel V, **Long HL**, Yoo H, Patro C, Yellamsetty A, & Constantino C (2021, March). Insight on the postdoctoral transition: Professional preparation as an early career research scientist. Invited panel talk for the PhD Research Colloquium, School of Comm. Sciences and Disorders, Univ. of Memphis.
14. **Long HL**, Ramsay G, Bowman DD, Burkhardt-Reed MM, & Oller DK (2020, November). Infant production of advanced vocal forms across contexts in infants at low and high risk for autism. Invited talk for the Eleanor J. Gibson Laboratory of Developmental Psychology, Cornell University.
15. **Long HL**, Oller DK, Romer K, Friener L, Warner W, Spence D, & Rhodes LN (2020, September). Pre-speech and early speech development of young children diagnosed with cerebral palsy. Poster talk selected for the Poster Crawl with Past Presidents, American Academy of Cerebral Palsy and Developmental Medicine Annual Meeting.

16. Oller DK, & **Long HL** (2019, November). Endogenous production of vocal precursors to speech across the first year. Invited Keynote for the Boston University Conference on Language Development, Boston, MA.
17. **Long HL**, Eichorn N, Bowman DD, & Oller DK (2019, April). Using GEEs to evaluate longitudinal vocal development in infants at risk for cerebral palsy. Invited talk for the S. P. Wong Applied Statistics Research Day, Department of Mathematics, University of Memphis.
18. Hinds V & **Long HL** (2014, September). Strategies for teaching augmentative and alternative communication in the schools. Invited professional developmental seminar for the Department of Speech-Language Pathologists and Speech Therapists, Shelby County Schools, Memphis, TN.

MERIT-BASED AWARDS AND HONORS

Clinical and Translational Science Collaborative of Northern Ohio

Advanced Translational Leadership in Academic Science (ATLAS) Program Fellow	2025
--	------

American Speech-Language Hearing Association (ASHA)

Lessons for Success Fellow	2023
----------------------------	------

Pathways Program Fellow	2021
-------------------------	------

American Academy of Cerebral Palsy and Developmental Medicine (AACPDM)

Emerging Leaders Program Fellow	2025
---------------------------------	------

OrthoPediatrics© Scholarship	2020
------------------------------	------

University of Wisconsin-Madison

Postdoctoral Scientific Leadership Program Fellow	2023 – 2024
---	-------------

Waisman Center Morse Society Scholar	2022 – 2024
--------------------------------------	-------------

University of Memphis

Graduate Student President Service Award	2020
